

Office of the Director

Date: 20.09.2026

**CALL FOR SUBMISSION OF PROPOSAL FOR RESEARCH PROJECT AND ALLOCATION OF
RESEARCH GRANTS (2026-27)**

Applications are invited, in prescribed proforma, from the teachers of the Faculty of Science/ Biological Science/ Pharmacy/ Earth and Environment Science/ Engineering and Technology for new research projects to be carried out with financial support from Dhaka University Nanotechnology Centre. Projects may be submitted jointly and may include the provision for the appointment of a research fellow. The project support may cover fellowship, charges for analytical services, expenditures for chemicals and apparatus or incidental expenses. The research grant will be disbursed upon release of the relevant funds by the University of Dhaka. The procurement should follow PPA/PPR guidelines and applicable VAT/IT must be paid by the Project Supervisor from the approved allocation. The Research Fellowship is full time and may be allocated for the period determined by DUNC for the 2026-27 financial year. The project proposal should cover any of the fields of Nanotechnology and its applications. Interdisciplinary projects are also welcomed. In the case of joint project supervisors, one of them may be from the Faculty of Science or the Faculty of Biological Science or the Faculty of Pharmacy or the Faculty of Earth and Environment Science or the Faculty of Engineering and Technology and another supervisor may be from Faculty of Business Studies, BCSIR, BAEC, and NIB.

The following conditions should be fulfilled:

1. DUNC should be used as an affiliation when an article on the research project will be published in any journal (preferably indexed Journal).
2. The project work should be presented in a research fair organized by DUNC.
3. The work should be presented at any conference of a related society or on Nanotechnology.
4. Research Fellow should have a BS degree or higher from D.U. or MS degree with a minimum CGPA 3.00.
5. The total budget for each project will be limited to a maximum of 80,000 taka for a period of 06 months.
6. The fellowship amount is Taka 8,000/- per month (for a maximum period of 06 months).

The project proposal should be submitted by 12/10/2026 in hard copies to the office of the DUNC in Room no 411 (CARS) building. A soft copy should also be sent to the director (dunc_office@du.ac.bd) by the deadline. Awards are expected to be made according to the availability of funds. The Project may be renewed based on the availability of funds in the following financial year.

Thanking You

Farida Begum

Project Proposal for 2026-27

1. **Title of the Proposed Research Project:**
2. **Name of the Project Supervisor/Supervisors with affiliation:**
3. **Place where the work will be performed:**
4. **Outline of the project with background information:**
5. **Rationale of the project and its importance:**
6. **Previous Experience of the Project Supervisor(s) in the area of Nanotechnology:**
7. **Time required for completion of the project:**
8. **Requirement of funds as per estimate under headings:**
 - (a) Research Fellowship:
 - (b) Equipment:
 - (c) Other Accessories/Chemicals:
 - (d) Contingency:
 - (e) Analytical Services:

Total fund required:

9. **Any financial assistance received/to be received from any other source for this project:**

Date:

Signature of the Project Supervisor/Supervisors
